## Competition Team Classes

Are you interested in joining our competition program? We have a competitive program that gives dancers the experience of competing at local competitions without the commitment of hours upon hours in the studio. We offer a flexible competition program where dancers may take the base requirement of two hours per week up to as many hours a week as you would like to take.

For more information, or to schedule a placement audition, please email Nicole at [nkochar@ci.chanhassen.mn.us](mailto:nkochar@ci.chanhassen.mn.us). The competition class schedule will be available in April.
