# Small Fry T-Ball

Your child will have a great time learning the sport of t-ball. Each week we use fun games to teach baseball/softball skills, build self-confidence and learn sportsmanship. Registration limits will be based on MN Dept. of Health guidelines. We will split the field with plenty of room to social distance.

Please bring a t-ball glove each week. Bats and helmets will be sanitized between users.

## Volunteers Needed!

In addition to our Rec Center Sports Staff, parent volunteers are key to making this a great experience for our kids. We are looking for energetic and enthusiastic volunteer coaches who are interested in coaching youth sports. Our goal is to create a positive environment that promotes self-confidence and self-esteem through programs we provide to our community. We will provide lesson plans and assistance each week. Please consider coaching and indicate that on registration. All coaches must complete a background check.
