

An aerial photograph of the Seminary Fen Scientific and Natural Area (SNA). A blue river flows from the top left towards the bottom right. A large, dark, irregularly shaped wetland area is situated in the center-left. To the right of the wetland, a road labeled 'Flying Cloud Drive (old 212)' runs diagonally. Further north, another road labeled 'Bluff Creek Drive' runs horizontally. Two green rectangular areas, possibly golf courses or sports fields, are visible in the upper right. A parking area is marked in the bottom left. The terrain is a mix of brownish, dry-looking ground and green vegetation.
