This is the perfect program for your young dancer!

My girls love dancing at Dance for Fun. Dance for Fun focuses on building confidence, nurturing a love of dance, and encouraging movement in a safe and fun environment.

They have made great friends and learned from caring teachers.

We are a proud Dance for Fun Family!

- Anne K.

I danced at Dance for Fun for 16 years and created so many lifelong friendships.

The community there is amazing and became my second family. I was amazed to see how much I grew each year. The dance teachers are always willing to help.

Not only are they my teachers, but I have connected with them on a deeper level and they truly feel like family to me. I would look forward to going to the studio weekly and learned so much.

Dance for Fun has really made dance a true passion for me and I love the support we all have for each other at Dance for Fun.

- Katelyn N.

I danced at Dance for Fun for 13 years and have learned so many things that I am able to take with me in life's next adventures.

Dance for Fun is a positive and supportive community with instructors and teammates who really care about you, not only as a dancer but as a person.

Each year I was amazed at the amount of skill I had gained and this was because of the encouraging and helpful environment of each class.

- Ashley R.

My daughters have enjoyed dancing with Dance for Fun for many years.

They tell me that their favorite thing about the program is the people.

It is truly a dance family -- obviously held together by a love for dance, but more importantly people who care deeply about each other.

- Judi Q.
